

VINTAGE MARKET FOR MISSIONS

St. Peter's Lutheran Church, Rockford

(Rockford Harvest Fest)

The Ladies Guild of St. Peter's is sponsoring this Annual Vintage Market for Missions during Rockford's Annual Harvest FEST Weekend. God has blessed many of his children with talents to handcraft and repurpose his many gifts. We request that this Vintage Market only contain items that are handcrafted, repurposed, upcycled, or represent things of days gone by.

While this market is not juried, artisans and marketeers will be required to submit photos representative of what they will be selling. We will limit the number of artisans and marketeers in each category so that everyone has a fair chance to sell their items. At this time, no home based businesses such as Party Lite, Tupperware etc .will be considered.

We will have face painting and possibly other activities in the outside market area. Event goes on Rain or Shine. ***Proceeds from this market will support The Grace Ministries of Ile-aVache Children's Mission in Haiti.***
